408 Communication

Hi John, you can do whatever, but your case will not turn into money. Unless my client decides to abandon the case, I will make every step difficult for you. Even if they abandon the case, your judgment will remain as a piece of paper forever. I hope you don't take it personally as I'm just doing my job.

Enjoy!

Mr. Troy, I don't know. I need to speak to the client about it.

I'm not sure what they want to do with this case. She was willing to put a little money in your hands today but I guess you missed it. Your 6-figure demand is ridiculous, but your clients can continue daydreaming. She just lost her only house earlier this month, and you still think you can squeeze blood from a stone? Check court records about the foreclosure. If my client decides to abandon the case and allow you to get a judgment, what are you gonna do with a Chinese restaurant, Mr. Troy?

ShopRite is no longer in the picture. You no longer have any bargaining chips.
